Thanks James.

I already got the NPDES Permits from the facility.
Some PCS pull I want to see are Inspection, Enforcement, and any others in our database.

Thanks,

Please see attachment and visit IDEM VFC <http://vfc.idem.in.gov/DocumentSearch.aspx> for additional documents. Select NPDES# in the alternate field and type permit number in the ID# field. Thanks

James,

Is there any other data besides effluent violations?

Hi James,

I need to have PCS pulls for all 3 facilities at Indiana Harbor, IN.
We had some oil release and we are going there next Thursday.

I need to have those reports for background information.
Thanks,
